6. Water supply, Anglo-Chinese Girls' School, Ipoh: The Board agrees to a free supply up to 12,000 gallons per mensem being recommended, any excess quantity thereafter to be paid for at the rate of 25 cents per 1,000 gallons.

7. Water supply, Batu Gajah: Mr. H. C. Bathurst states his reasons for bringing the subject to the notice of the Board. After considerable discussion and on eliciting the fact that there are one or more schemes under consideration for improving the water supply of Batu Gajah and the neighbouring towns, the Chairman is requested to write and obtain particulars of such schemes in time, if possible, for consideration at the next meeting of the Board.

8. Appointment of Registrar of Jinrikishas, Kinta: The Chairman points out that under "The Jinrikisha Enactment, 1900," the Sanitary Board, with the sanction of the Resident, is authorized to appoint a Registrar of Jinrikishas. The Board approves of the Chairman being appointed, *ex-officio*.

9. Condition to be endorsed on eating and coffee-shop licences: Correspondence is read suggesting the endorsement of the following condition on all eating and coffee-shop licences:

It is a condition of this licence that it is liable to immediate cancellation without compensation if at any time the Chairman is satisfied that the premises are being used for immoral purposes.

The Board offers no objection.

10. Shelter for motor-cars, Ipoh Railway Station: Correspondence is read and the Board agrees with the view of the Chairman that provision for the cost of erecting a temporary garage near the Ipoh Railway Station is not a Sanitary Board matter.

11. Pond on plan No. 10,792 and swamp on plan No. 11,176, Ipoh: The Health Officer's report is considered and the Board agrees to notices to fill being issued under by-law 192 (ii).

12. Oiling of fish ponds on plan Nos. 1,571, 1,577, 11,436, 11,437, 17,323, 18,174 and 18,175, Ipoh: The Health Officer having reported the presence of anopheline larvæ the Board agrees that notices to oil be issued under by-law 192 (ii) on the understanding that the Mosquito Destruction Board will exercise discretion and assist where necessary.

13. Deletion of by-law 164: In view of Enactment No. 23 of 1922 containing the full definition of common lodging house the Board agrees to by-law 164, which is in consequence superfluous, being deleted.

14. Rest-house, Gopeng: The Resident having expressed the opinion that there is no necessity for a rest-house at Gopeng and being in favour of using the building as a school the Chairman states that Gopeng rest-house will therefore be closed in about a fortnight's time. The Board notes the decision with regret but desires to bring to the notice of the Resident that it still considers a small rest-house at Gopeng necessary.

15. Cost of electric energy to consumers: The Chairman states that the Electrical Board has recommended the following rates for power in Ipoh:

| | | | | | | |
|-------------------------|-----|-----|-----|-----|-----|-----------------------------|
| For first 500 units | ... | ... | ... | ... | ... | 10 cents per unit per month |

| " 1,000 to 2,000 " | ... | ... | ... | ... | ... | 8 " " " |

16. Suggestion that Mosquito Destruction Boards should be sub-committees of Sanitary Boards: The Chairman informs the meeting that the Chief Secretary regrets to be unable to approve the recommendation.

17. Questions by Dr. W. A. Rogers: After due notice, Dr. Rogers asks the following questions:

1. Will the Health Officer, Kinta, let the meeting know if he is taking any special action to reduce the excessive mortality from pulmonary tuberculosis (consumption) existing in Ipoh as shown in the monthly return of deaths?
2. If he considers apart from overcrowding, other causes such as indiscriminate spitting on the floors of dwelling houses and five-foot-paths are also contributory causes?
3. Will he make any recommendation to Government, to take steps to reduce this source of danger?
4. If the excessive dust raised from un-tarred roads in town is an "exciting" cause, would he move the Government to have all the roads within Sanitary Board areas tarred as soon as possible?

The Health Officer (Dr. E. H. Black) replies as follows:

Although the questions put by Dr. Rogers are out of order, infectious diseases not coming within the scope of the Sanitary Boards Enactment, he says he has no objection in answering these questions to oblige Dr. Rogers.

1. The answer is in the affirmative as far as lies within his power.

2. Yes.

3. Spitting in public places comes under the jurisdiction of the Police under the Minor Offences Enactment No. 25 of 1920.

4. The exciting cause of pulmonary tuberculosis is the bacillus of tuberculosis. Dried sputum containing the bacillus may be converted into a dust irrespective as to whether a road is tarred or not.

18. The Board adjourns *sine die*.

21st June, 1923.

A. J. STURROCK,

Age: Average age about 18 years.

Acting on what Dr. Norman White said, i.e., that he did not think spraying of houses was any good, no spraying has been done this month. Previous infected houses have been thoroughly sprayed.

Most attention has been paid to the rat problem.

Traps and cages have been set, and since 5th April, 1923, 202 have been caught dead and alive. Of these five were found to be positive for *B. Pestis* or $2\frac{1}{2}$ per cent. of the rats taken.

Barium carbonate gr. $2\frac{1}{2}$ in rice pills are being laid and of 279 laid down 73 have been taken. Some of the rats are being examined by the Institute for Medical Research for poisoning but no results have yet been received. A census of all inmates of infected houses is taken and they are mustered and examined early every day.

The Deputy Registrar of Births and Deaths attends the funeral of all plague cases in order to see that all the necessary precautions are taken."

After some discussion Mr. Khoo Keng Hooi proposes, and Dr. E. T. MacIntyre seconds:

"That special meetings of this Board be called to receive progress reports from the Health Officer on this question, the first meeting to be held on 20th June, 1923."

The Board unanimously agrees.

(a) The Board asks the Executive Engineer, Town (Mr. H. T. Nicholas) to visit the area and report on the condition of the houses.

The Chairman agrees to have this done.

(b) The Board also asks the Chairman to draw the attention of the Health Officer to the by-laws of the "Quarantine and Prevention of Diseases" Enactment.

The Chairman undertakes to do this.

6. Tuberculosis: Mr. H. B. Talalla submits a paper on this subject and asks the Chairman to forward same to the Health Officer and a copy to the Press.

to replace the existing by-law which reads:

The Board considers the suggestion an excellent one and will be prepared to accept plans accordingly.

6. Protestant cemetery: The Board suggests that a site at the 4th mile, Cheras Road, be earmarked on the plans, for future use; it favours the extension of the present cemetery by the inclusion of the site of Government quarters No. 25/26 (old numbers) (now occupied by Mr. Palmer, Federated Malay States Railways) immediately adjoining on the north-west boundary.

C. W. BRESLAND,
Chairman, Sanitary Board, Kuala Lumpur.

No. 4378.—SANITARY BOARD, KLANG.—

The minutes of a meeting of the Klang Sanitary Board held at 10 a.m. on Saturday, 16th June, 1923.

PRESENT: The *Chairman* (Mr. F. W. Douglas), the Executive Engineer (Mr. G. Sturrock), the Medical Officer (Dr. W. F. McDonald), the Health Officer (Dr. W. J. Moir), Mr. H. A. Wootton, J.P., and Mr. K. A. Vaner.

ABSENT: The Harbour Master (Lt.-Com. R. C. Hayes, O.B.E., R.N.), the Assistant Commissioner of Police (Mr. H. B. Langworthy), Dato Stia di Raja (Inche Abdul Razak, J.P.), Dr. M. Watson and Towkay Goh Hock Huat.

1. The minutes of the previous meeting are confirmed.

2. The Chairman refers to a letter which recently appeared in the Press relating to the payment of fees for conservancy and notices of demand, and reads correspondence between the Sanitary Board and the writer of the said letter between June, 1922, and May, 1923. The Board notes that notices of demand were not issued on the day the rate became in arrears, 7 to 14 days' time being given.

3. Decided to enforce by-law 34, and to appoint a sub-committee, to consist of the Chairman, the Executive Engineer, Mr. H. A. Wootton and Mr. K. A. Vaner, to recommend areas in which attap buildings shall be allowed.

4. The abolition of detachings from markets is again discussed, and a letter and quotations from a firm of scale makers in England are considered; the Board decides to recommend the use of an ordinary counter scale for weighing up to 21 catties or 28 lbs. and to enquire if the Seremban Sanitary Board would join them in a combined order for machines.

5. The proposed alienation of portion 146, section 2, Port Swettenham, is considered, and approved by the Board.

6. On the report of the sub-committee it is decided to have the insanitary attap buildings on portions 20, 21 and 22, section 16, Klang town, demolished.

7. Decided to apply for an order for the demolition of Nos. 15, 16, 17 and 18, Sungei Binjai road, Klang, which the owner agreed to close by June, 1922.

8. It is pointed out that street-stalls are never moved and consequently scavenging is not effective. Decided that street-stalls shall be moved during the hours 1 p.m. to 3 p.m. with effect from 1st July, 1923.

9. Complaints against the work of the occupant of the Government laundry, Port Swettenham, are considered, and it is decided that, unless there is an improvement within one month, the tenancy will be terminated.

10. A letter from the Secretary to Resident, Selangor, is read and the Board agrees to endorse all eating and coffee shop licences as follows:

"It is a condition of this licence that it is liable to immediate cancellation without compensation if at any time the Chairman is satisfied that the premises are being used for immoral purposes."

11. Complaints of over assessment from the owners of No. 87, Jalan Raia, and No. 54, Sungei Binjai Road, having been considered, it is decided to reduce the valuation of the former to \$300 per annum and the latter to \$480 per annum with effect from July 1st, 1923.

12. The Chairman points out that the closing order on houses at junction Rembau Street and Main Street became operative on 31st May but that he has not enforced it pending an attempt to arrange to rehouse these people. Three houses will fall vacant in Malay Street on 30th June and probably six more could be arranged for by end of July.

After discussion in which it is pointed out (a) that two of the houses have already been vacated and therefore may not be re-occupied; (b) that the occupier of two houses has secured the refusal of a house actually being built—it is decided to apply to the Court to extend the closing order for three months for tenants to avail themselves of the opportunity of securing one of the houses above mentioned and further that, if a tenant can produce an agreement for a lease for a house about to be built in Main Street, then the Board would extend the closing order for six months or to cover the completion of that house whichever occurs first.

13. Mr. K. A. Vaner draws the Board's attention to the inadequacy of the accommodation in schools for Tamil children: he points out that for the whole of Klang there is only one Tamil school with normal accommodation for 35 to 40 pupils; that it is over-crowded, the number of pupils being 65-70; that owing to this no new pupils have been admitted since 1922, and that more and larger schools are urgently needed if Government departments are to meet the requirements of the new Labour Code. A decision on the matter is postponed pending further enquiries.

14. The Health Officer's report for the month of May, 1923:
